

ABOUT BO'S PLACE

Bo's Place exists to enhance the lives of those who have experienced the death of a loved one. Bo's Place is a non-profit organization founded in Houston in 1990. Bo's Place offers the *only* ongoing and free-of-charge program for grieving children and their families in the Greater Houston area.

At Bo's Place we believe:

- ♥ Grief is a natural reaction to the death of a loved one.
- ♥ The duration and intensity of grief are unique for each individual.
- ♥ In a safe environment, each individual has the natural capacity to heal.
- ♥ Grief resolution is not about forgetting or letting go, rather it is about learning to carry the person in a new way.
- ♥ Grieving children heal by sharing with other grieving children.

WHO SHOULD ATTEND?

Any professional who works with grieving children, adolescents, or families:

- ♥ Mental Health Professionals
- ♥ School Personnel
