about the speaker:

Sunita Osborn, PsyD is a licensed clinical psychologist and author practicing in Houston, Texas at the group practice, Modern Therapy. Dr. Osborn specializes in adult relationships and anxiety and is the author of "The Miscarriage Map: What To Expect When You Are No Longer Expecting."

synopsis:

Drawing from both clinical and personal experience, this workshop will outline the psychological impact of pregnancy loss on the individual, family, and societal levels. We will discuss common challenges and barriers individuals face in the grieving process and how healthcare and mental health providers can best support individuals following a pregnancy loss.

workshop objectives:

- Learners will be able to recognize the psychological impact of pregnancy loss on the individual and system level.
- Learners will be able to describe the experiences and challenges in grieving a reproductive trauma.
- Learners will be able to apply best practices in supporting individuals who have experienced pregnancy loss.

Bo's Place exists to enhance the lives of those who have experienced the death of a loved one.
